

## “LET THE CHILDREN COME TO ME” MATTHEW 19:14

Beginning with birth and baptism, we take each child seriously, teaching them and loving them as a beloved person. The Children’s Ministry focuses on creating a place of belonging, where children are called by name, where discipleship and a love of God and neighbor are encouraged. There are a number of growth-oriented activities, events, service and educational opportunities in which your child can be involved, all nurtured through a loving, supportive community of faith.

### **How do I get my child involved?**

You can talk with church members, greeters, the pastors or just about anyone at the Sunday service about how to get your child involved. You can also email or call the church office.

### **Should my child go up front during the "Children's Moment"?**

Any "child", including adults ☺, can come up during the children's Moments. The typical age range is from 2 to 12 years.

### **What if my child has special needs?**

We welcome ALL God's children. We want to know how we can best serve the physical, emotional, educational or medical needs of your child. Talking to the pastor or a teacher is a great place to start.

### **What nights do the youth meet?**

Youth meet on Sunday nights, although trips, events, service projects, etc. may be scheduled on other days.

### **What is the best way to learn about all the activities?**

The website contains the calendar of events, times and locations. Talking with one of the teachers works well or you can email or call the church office.

### **How do I as a parent / guardian get involved?**

We value YOU and feel blessed to have you share your gifts as an educator, caregiver, coach, comforter, motivator, etc. Talking to the pastor or a teacher is a great place to start.
