FAQs About Our Mission

What is the mission of Northminster?

Our mission is to make disciples (i.e., education and learning), grow in faith together (i.e., build a loving, supportive faith community), and serve others in Christ (i.e., use our many gifts to serve other people). This mission plays out in many different ways and is a part of everything we do.

I don't want to get over extended?

We are sensitive to the many ways life pulls on one's time and energy. It is up to you whether to be involved and you can choose what best fits your schedule and passion. Start small or big, dabble in a couple, or wait until you feel comfortable and drawn to something.

What programs are there?

Depending on your interests, you can choose from a number of opportunities that range from interacting with children to adults, being inside to outside, needing muscles to mental power, and everything in between. Some examples include teaching, backpack ministry, habitat for humanity, meals on wheels, care for the home-bound, loaves and fishes, children's chapel/theater/education, and many others.

Why the focus on serving other people?

The common thread binding all our mission-related experiences together is a sense of gratitude in response to our many God-given gifts. A thankful heart is key to rejoicing in what we already have, freeing ourselves to use our many talents, and seeing and responding to the many needs of other people.

What if I don't see a good fit, but there is something else I'd like to do?

Fantastic!! All our mission-related efforts were originally started by someone with a passion to make it happen. We encourage you to bring it to our "Connections" time and share your vision of how to respond to God's gifts.
